

ANZSOM Victorian & Tasmanian Branch invites you to their
50th Anniversary Celebration and Annual General Meeting

50 Years and Beyond

Guest speaker: Dr Rob McCartney, Occupational Physician, Resile Pty Ltd

ANZSOM has served us and the community well for the last half decade, but without adaption, innovation and planning, we are at risk of redundancy in the next decade or so. We are in a great position to become a major influencer in population health, wellbeing and productivity. With a strategic plan and appropriate resources, we can secure our professional future.

Learning objectives:

- Gain knowledge of the influence of ANZSOM over the past 50 years to Occupational doctors and nurses
- Understand the importance of a professional body to promote positive change for workers and workplaces
- Explore the future of workplaces and new jobs not yet created and the role of ANZSOM

Date: Thursday 26th July 2018

Venue: Veneto Club, 191 Bulleen Rd, Bulleen VIC 3105

Time: 6.00pm pre-dinner drinks; 6.30pm start

Cost:* ANZSOM members \$75; non-members \$85

**All costs inclusive of GST. Includes two-course dinner and beverages (wine, beer, soft drinks). RSVP by Wednesday 18th July 2018. Please contact the ANZSOM Secretariat (secretariat@anzsom.org.au) if you have any enquiries about the event.*

Register via Trybooking: www.trybooking.com/WLEZ

About Rob:

Dr Rob McCartney is a physician who has specialised in the field of Occupational and Environmental Medicine for over 20 years. He is a Fellow of the Australasian Faculty of Occupational and Environmental Medicine with the Royal Australian College of Physicians and past president of ANZSOM. He has been an adjunct associate professor at Griffith University School of Human Services and Social Work. Rob also sits on the board of Australasian Medical Review Officers Association.

Rob has a breadth of experiences in occupational health – during the recent re-emergence of coal workers' pneumoconiosis (CWP) and other forms of coal mine dust lung disease (CMDLD) in Queensland, Rob assisted and advised many coal mines to not only implement new processes in response to this issue, but also to manage the levels of anxiety amongst their workers. Rob is one of the founding directors of Resile Pty Ltd.
