About Dr Frank Burke

Dr Frank Burke is a graduate of Monash University and a diagnostic radiologist who specialises in Musculoskeletal Ultrasound. He is in a private practice at Victorian House Medical Imaging in Prahran and has had nearly 30 years' experience in Musculoskeletal Imaging. Frank has lectured Nationally and Internationally on various topics, and was responsible for developing hydrodilatation as treatment for frozen shoulder (adhesive capsulitis).

Most Melbourne based AFL football teams, Melbourne Storm, Melbourne Rebels, Melbourne Victory, Australian Tennis Open, Australian cricket team and all visiting international rugby teams use Victoria House Medical Imaging. Frank was the Imaging Coordinator for 2006 Commonwealth Games and an attending radiologist at the 2000 Olympic Games in Sydney.
